

GENDER PAY GAP REPORT 2021

GENDER PAY GAP 2021

This is the second year BCD Meetings & Events has reported our Gender Pay Gap.

In 2021, although we began to see recovery across the business, we still had many people on work time reduction programmes as at the snapshot date of April 2021.

Our commitment to closing the gap

BCD Meetings & Events aims to be the world's most trusted Meetings & Events agency. We are firmly committed to fairness and equality in our working practices to encourage and enable all of our people to develop to their fullest potential. With women accounting for two thirds of our UK SLT, we are focused on ensuring that all our people are equally valued and rewarded.

Gender Pay Gap

BCD M&E (UK) Employees *

Pay gap difference *

Between male and female UK employees

* Pay Gap Difference

- The **mean** gender pay gap is the difference between the **average** hourly earnings of men and women. The **median** pay gap is the difference between the **midpoints** in the ranges of hourly earnings of men and women.
- Employees not in scope were those not in receipt of normal pay in the period. The snapshot period fell during the recovery phase of the Covid-19 pandemic and any furloughed / flexi furloughed employees were excluded, as well as employees on maternity leave and those who joined or left part way through the month.

Proportion of male and female UK employees

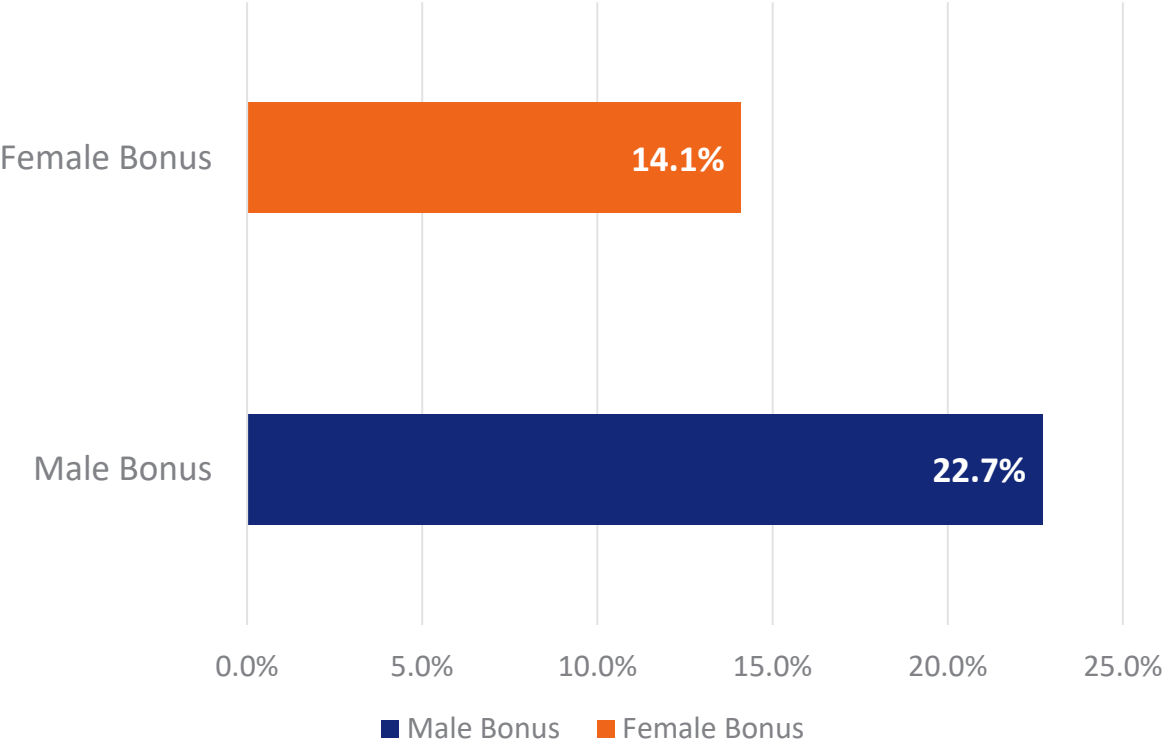

According to quartile pay bands

■ MALE ■ FEMALE

Bonus Data

Employees receiving bonus pay ^

Bonus value difference ^

Between male and female UK employees

^ Bonus Data

- Percentage of males or females receiving a bonus
- Bonus data relates to payments made from April 2020 to March 2021
- Pay elements included bonus, commission, recognition and other performance incentives

Declaration

We confirm that the information and data reported is accurate as of the snapshot date of 5 April 2021. In accordance with the Regulations, we have signed a written statement to confirm this published information is accurate.
